JOURNAL

OFFICE OF LEGAL COUNSEL

Monday - 15 March 1965

ILLEGIB

25X1 1. [REDACTED] Returned to the Joint Committee on Atomic Energy the corrected transcript of the Director's briefing of 23 January along with a list of the corrections made.

25X1 [REDACTED] Security, briefed the staff members who were present at the 23 January briefing on the special security factors involved and had them sign the appropriate documentation.

25X1 2. [REDACTED] Met with Mr. Robert McManus, Senate Internal Security Subcommittee staff, for preliminary discussion regarding the appearance of [REDACTED] in connection with the Subcommittee's study of Communist murders, assassinations, etc. Mr. McManus is particularly interested in having [REDACTED] give information which he had previously discussed in an informal conversation with McManus on the [REDACTED] case and any other similar situations. I told McManus I would talk with our people on this and arrange for more detailed conversations within the next few days.

25X1

25X1

25X1

25X1 3. [REDACTED] Talked with Jay Scarwina, Senate Internal Security Subcommittee, on the case of [REDACTED] Scarwina still does not have a commitment from a senator for this session but hopes to have information for us within the next few days. He still has as a target date sometime during the next week.

25X1

25X1 [REDACTED] Scarwina indicated he had sent us a letter presenting our views on several additional items in the testimony of [REDACTED]

25X1 4. [REDACTED] Left for Representative John R. Schmidhauser a sterilized version of the 261 study on Soviet Solar Research, 1958-1964 and advised that this item had been sent to the Department of Commerce for publication.
